Sazenoff had intend-

Peking, March 14.—The Russian Minister, M. Korostovetz, delivered Russia's ultimatum to the Chinese Foreign Board this afternoon. It caused much surprise among the officials, who seemed not to

realize the gravity of the crisis. M. Korostovetz last week for the second time requested permission on behalf of his frontier. He desired also to place doctors pressmen-who depend entirely upon their ration will be completed and a programme adopted. But he will be completed and a programme

and police in Chinese border towns for the Durpose of effectively quarantining the China viewed this measure as an infringement on her integrity, and the Rus-

wan Minister was notified that a reply Would be given to-day. In the mean time Korostovetz was requested to obtain further explanations from St. Petersburg regarding the nature of the proposals. thereupon the Russian government evisently decided that there was no further use of parleying.

It is expected here that the Russians will how settle many outstanding matters, incloding the plague quarantine, the dis-fuled frontier, the protection of the railway from Hungtze-Hu, as well as trade, consular and other differences in connection with the treaty of 1881. was no panic

It is pointed out that for many weeks the press throughout Asiatic Russia has been supporting the desire of the military for the annexation of Mongolia and Northern Manchuria, but the Cninese Foreign Board does not look for a serious invasion. Some of the Chinese express the hope that the United States will interfere end propose arbitration, but foreign resido not believe that the American Envernment will take part in any of these per froversies, except when actual American rights and interests are affected.

## BAILEY NOT TO EXPLAIN

### Will Ignore Subpæna on Holstlaw Bank Deposit Slip.

Washington, March 14.-Because the authorities of Sangamon County, Ill., issued a subporna for him in connection with the proceedings against State Senator Hoist-Senator Bailey, of Texas, probably will make no explanation relative to the disappearance in the Senate chamber here of the affidavit of Newton, the bank clerk, and the Holstlaw deposit slip, concerning which there was much discussion while the resolution to unseat Senator Lorimer was pending

Mr. Bailey said to-day that The Associated Press was in error in sending out from Washington last Saturday the statement that he was at work on a "statement" concerning the disappearance of the Mr. Bailey went on to say that after he

had given the affidavit to Mr. Borah he saw for the first time a news dispatch that a subpoena had been issued for him in Springfield, III., and on Sunday he sent a telegram to Senator Cummins, reading as

I received your message through Senator Borah yesterday afternoon, and promptly prepared the affidavit which I delivered to him for transmission to you. Laier in the afternoon I read a statement that the State's Attorney of Sangamon County had procured a subpena duces tecum for meand if that is true I desire you to return my affidavit to me at once, and under no circumstances will I consent for the prosecuting attorney at Springfield to have it. Of course, he perfectly understood that Illinois could not issue a subpena for persons outside of her jurisdiction, and therefore the application for it, if made, was a contemptible piece of petty politics. If the District Attorney there had honestly desired my presence he could have secured it by a simple and courteous request.

"The South is the place, and my advanced woman's suffrage," of the latter of which he said:

"I know when to let well enough alone and I'm going to keep still."

He prophesied victory for the reciprocity measure, and said of the tariff: "We can get by Mr. Taft with a few schedules, we hope, where we never could get past with a whole bill."

Mr. Clark intimated that if Republicans in the next House didn't like committee appointments they could go hang, for all the good it would do them. Only he said it this way:

"Those who don't like the appointments."

"The South is the place, and my advanced is to go there. You won't eat as much as you do here in the North. If you do, you'll die. Your clothing must be lighter, and therefore less expensive. You won't have to buy fuel to speak of and you can allow measure, and said of the tariff: "We can get by Mr. Taft with a few schedules, we hope, where we never could get past with a whole bill."

Mr. Clark intimated that if Republicans in the south is the place, and my meanfile.

"The South is the Place, and woman's is to go there. You won't have to buy fuel to speak of and you can allow the reciprocity for t
